Did You Know?

"Did You Know?" is a series of short spotlights on Legacy area attractions and opportunities. We hope you will discover fun information about our new home location!

Legacy is located in Mills River with easy access to three charming cities – Asheville (Buncombe County), Brevard (Transylvania County) and Hendersonville (Henderson County) – and all they have to offer. Each has unique offerings and its own “vibe.” Here are resources to get a sense of what’s available and what’s going on that might be of interest.

Asheville: AVLToday is a FREE weekday email. Catches you up briefly on the latest news and events affecting primarily Asheville. To subscribe click here: AVL Today

Brevard: The Explore Brevard website has an events section: Explore Brevard

Hendersonville: The Hendersonville Chamber of Commerce website has an events section: Hendersonville Chamber of

Commerce

In addition to these three “main” cities there are many charming mountain towns with a variety of personalities and attractions. It’s fun to check out places like Black Mountain, Saluda, Tryon, Flat Rock, Cherokee, Waynesville, Weaverville, Marshall, and Mars Hill. Exploring with new friends and sharing our discoveries will be one of the many pleasures of living at Legacy!

FRIENDLY REMINDER: MEMBER DIRECTORY

As we mentioned in last week's email, we are in the process of creating a member directory to help connect future neighbors. But before we publish and share your contact information, we need your consent! We also want to make sure we publish the most updated address, emails and phone numbers for ***BOTH*** Legacy Members.

To kick this process off, we have created a form on the Founding Guild Member password protected section of our website called “Member Directory”. If you have not already filled out the form, please log into the site, using the instructions below, and complete this form. By hitting submit, you are giving Legacy at Mills River consent to share your information with all Legacy Members in a Member Directory.
