LEGACY WEBSITE NEWS

Have you taken time to browse the Founding Guild Member section of the Legacy website? It's a secure, password protected resource just for members of Legacy's Founding Guild and the content in this section is constantly changing. Here you can:

- Read member profiles - this is a great reminder to complete your interview questions and submit to Jan Getz - janmasongetz@gmail.com
- Watch all previously recorded videos
- Access documents and forms
- Read FAQs just for members. The Member FAQ section was recently updated with additional questions and answers compiled from specific questions from you – the members.

Thank you Legacy staff for providing such a great resource for members to connect, learn and stay up-to-date on all things Legacy!
Click below to access the Founding Guild Member Section of the website, and use the Password: **FoundingGuild** (all one word, Cap the F and G).

LEGACY INTEREST GROUPS ARE OFF AND RUNNING!

Thank you to everyone who completed the recent Legacy Interest Group Survey. The results were compiled last week and sent to everyone who volunteered to lead or co-lead a Legacy Interest Group (LIG). Thank you so

much for volunteering!

Several of the LIG's have already begun meeting to prepare for the upcoming Focus Group sessions for the planned **outdoor** amenities that will be held later this month. Those groups include the Dogs/Pets, Gardening, Legacy Onsite Outdoor Recreation, and Outdoors (hiking trails).

The Focus Groups will provide input to the function and features of these amenity spaces. From David Coster: *"We want and value feedback and creative ideas, and are fully committed to having exceptional amenity spaces. However, we must balance the desires of uniquely passionate first-generation Members with the needs of all first-generation Members, as well as the best interests of the Community going forward."*

> If you have a question about the upcoming Focus Group sessions, please contact David Coster at david.coster@rlainc.com.

Focus Group sessions will be held for the **indoor** amenities either late this summer or early fall. These sessions will address amenities such as the Library, Art/Craft, Fitness/Exercise/Pool, Performing Arts Center, Cards/Games, Woodworking and the general-purpose spaces that can be used for other group activities.

Below is a link to the list of LIG's and the people who volunteered to lead them. If you indicated that a LIG was either "Essential" or "Important" to you, the LIG leader of that group will be reaching out to you soon to set up an initial meeting of the group. If you would like to volunteer to lead one of the "leaderless" groups, please contact Connie Byrne at clbyrne51@gmail.com.
