

LEGACY GUILD MEMBER

INTEREST SURVEY UPDATE

As of April 14, ninety (90) responses to the Legacy Guild Interest Survey have been recorded. Next Steps: Thanks for completing the survey and sharing your email. We can now create cluster emails to reach out to each group. We first need to contact people who expressed willingness to lead, and they will help create a plan to connect each of you together. Remember, this is all member-led and we appreciate all of you willing to volunteer!
