

### **Well Done Elizabeth!**

Many of us as Members have experienced the exceptional dedication and commitment that Elizabeth Ford has shown to bring Legacy from concept to reality. Please congratulate Elizabeth on her recent, well-deserved promotion to Director of Sales and Marketing. When she joined Legacy as Director of Marketing 4 years ago, she implemented transformative marketing strategies to reach customers and communicate Legacy's unique model, exceeding industry standards for new leads and engagement. During this same time, she equally excelled in her role as a sales counselor, becoming a trusted advisor to scores of prospects and Members as they evaluated their future living options. In her new role, she will lead all sales and marketing efforts as well as provide leadership to the Legacy Sales office.

### **Congratulations Elizabeth!**

### **Upcoming Fall Member Event**

It's time again to plan for our Fall Member Event. Please click on the button below to complete a Google form to select the day that works best for you. This form offers 3 different weekdays starting October 24 – November 11. Please check all dates that fit your schedule. We will tally the results and determine a final date based on everyone's preference. Please take a moment to fill out the form now so that we can announce the date in next week's

Legacy Connections email.

### Did You Know?

The sweet elementary school that almost backs up to Legacy's property is Glenn C. Marlow Elementary at 1985 Butler Bridge Road, Mills River. Grades kindergarten through 5th grade are here. They are the Mustangs.

Once we move in if you are interested in volunteering at the school you can contact the principal about how to help.

Everyone will be able to help Marlow by signing up for the Ingles Tools for Schools program. There is a big Ingles close to Legacy where many of us will no doubt be shopping. In the meantime, if you currently live in Western NC and are an Ingles shopper with an Advantage Card you can sign up now and a donation based on your purchases will go to Marlow Elementary. Ingles does require you renew your signup each fall. Couldn't be simpler.

Here's the link: <https://www.ingles-markets.com/tools-for-schools-link>

This is an easy way to support our new community elementary school with a big Legacy impact!
