### **Legacy Member Fleeces Travel Too!**

Have you taken a trip and worn your Legacy fleece? Legacy member Sylvia Burke recently enjoyed a trip to Northern Ireland and in the photo below, she is sporting her Legacy fleece while touring a portion of the Giant's Causeway. This photo has us wondering, where else has the Legacy fleece traveled to? If you have photos of a recent trip with your Legacy fleece – or, if you have an upcoming trip planned, take your fleece and snap a photo. Send them to your sales counselor and we just may find a creative way to display them!

A reminder – if you have received an email certificate to purchase your Legacy fleece online through Landsend, please be aware that your certificate expires 6 months after receiving your email. Please don't miss your opportunity to purchase a Legacy fleece and redeem your certificate today! And for those of you who have ordered your fleece, Landsend standard production, shipping and delivery time is 25-30 business days. As we move into the busy holiday season, Landsend suggests ordering sooner than later to avoid holiday delays. If you need assistance with your online order, please call their customer service at 800-338-2000.

### **Financial Planner Zoom Call**

We would like to clarify the purpose of the upcoming Financial Planner Zoom call. This is a marketing outreach effort to introduce Legacy to Financial Planners, Attorneys, Insurance Agents, etc. The goal of the call is to educate a very influential group that can refer new customers to Legacy. This zoom call is not designed for current Legacy Member participation.
