LEGACY
GUILD MEMBER

DON'T FORGET TO PACK HIKING SHOES!

On November 10th at 10:00am (the day after the Member Event at Bold Rock Cidery) you are invited to hike with the Outdoors-Legacy Interest Group on the Legacy at Mills River property. David Coster will serve as your guide (and risk manager!). David will be able to point out the proposed location of Buildings A & B as well as the proposed locations for some of the amenities such as the pickleball and bocce courts, the woodworking/pottery/etc. building, the dog park, the lake, etc. Don't forget to bring your camera as hopefully the trees may still exhibit some colorful leaves. It has been a gorgeous fall here in the mountains.

The planned hike is moderately strenuous and about 1.5 to 2 miles.

When you see Sandy Abbott, a leader of the Outdoors Legacy Interest Group at the Member Event on November 9, please thank her for organizing this hike.

The Design Center will be open to all Members that morning. Connie Byrne and Jane Credle will greet you at the Design Center and make sure you get a hot cup of coffee, a bottle of water, and/or snacks.

Because this will be a busy day for the Legacy Sales/Marketing team, they ask that you do not seek them out that morning as they are booked with appointments all day with prospective new Members! If they have a moment, they will pop over to the Design Center and may even bring a potential depositor over to meet us.

Please note: All Members are invited to join this group hike which leaves at 10:00am. As a safety measure, upon the conclusion of the hike, the gate to the property will be secured and the property closed to access.
