

### **We have a new video!**

Watch your fellow Legacy members who did an amazing job showing off our growing community and the future of retirement living.

This video includes scenes where we turned the Legacy office driveway into a farm to table setting, shopped at Biltmore Village, hiked on the property, visited Broadmoor Golf & Event Center, built a campfire and so much more. We filmed and photographed this project all in one day from 7 AM to 7 PM! We are so thankful for the members willing to take time out of their day to help Legacy.

## Update from the Pickleball LIG

by Oz Staley

The pickleballers had our first event at Asheville Racquet Club the day before our Legacy fall event. Hosted by Vicki and James Weil and Oz Staley. We had a great turnout of 15 to play games for 2 hours and we entertained 21 members for dinner afterwards... it was so fun! We know we all have many more fun games ahead of us in the future!! We also picked up many new names on our clipboard at the fall event of people wanting to join us! We hope to plan another fun outing to play again in the Spring.
